

Akilan Anojan Quality Assurance Engineer

✉ anojanakilan001@gmail.com ☎ +94 77 371 9287 📍 Vavuniya, Sri Lanka 🌐 Anojan Akilan

CAREER OBJECTIVE

Enthusiastic and detail-oriented Computer Science undergraduate specializing in Software Quality Assurance, with strong hands-on experience in manual testing. Completed a six-month QA Internship at Samuel Gnanam IT Centre, gaining real-world exposure to software testing processes. Skilled in test case creation, bug tracking, regression testing, and functional testing, with basic knowledge of Selenium, Java, Jira, and Git. Seeking an entry-level QA role to contribute to a quality-focused team and grow as a professional QA Engineer.

PROFESSIONAL EXPERIENCE

Software Quality Assurance Intern

07/2025 – 01/2026

Samuel Gnanam IT Centre

Jaffna

- Performed manual testing on web applications
